VERIFIED STATEMENT

TECHNOLOGY CENTER 2400

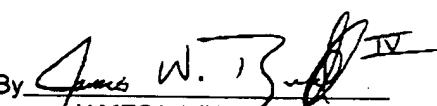

I, JAMES W. BURRELL IV declare:

The invention found in the present patent application was developed before February 7<sup>th</sup> of 2002 while I was in the process of improving the invention, writing the present patent application and developing a website to teach my deafandblind.com/fingerbraille.htm, deafandblind.com/type/demo.html, deafandblind.com/phone.htm and deafandblind.com/braille.htm inventions. All of the inventions found on deafandblind.com/fingerbraille.htm, deafandblind.com/type/demo, deafandblind.com/phone.htm and deafandblind.com/braille.htm were not downloaded onto the Internet until after February 7<sup>th</sup> of 2002. Before February 7<sup>th</sup> of 2002 I have not made any public sale or disclosure of the invention in this country or any other country,

and the invention was not used more than one year before the filing date of the instant application. Thus, there is no statutory bar.

The undersigned being hereby warned that willful false statements and the like so made are punishable by fine or imprisonment, or both, under 18 U.S.C. 1001, and that such willful false statements may jeopardize the validity of the application; and all statements made of my knowledge are true and all statements made on information and belief are believed to be true.

By   
JAMES W. BURRELL, IV  
Applicant
